# DPS Computerized Criminal History (CCH) Verification

## (AGENCY COPY)

I, \_\_\_\_\_, have been notified that a Computerized Criminal  
APPLICANT or EMPLOYEE NAME (Please print)

History (CCH) verification check will be performed by accessing the Texas Department of Public Safety Secure Website and will be based on name and DOB identifiers I supply.

Because the name-based information is not an exact search and only fingerprint record searches represent true identification to criminal history, the organization conducting the criminal history check for background screening is not allowed to discuss any criminal history record information obtained using the name and DOB method. Therefore, the agency may request that I have a fingerprint search performed to clear any misidentification based on the result of the name and DOB search.

For the fingerprinting process I will be required to submit a full and complete set of my fingerprints for analysis through the Texas Department of Public Safety AFIS (Automated Fingerprint Identification System).

Once this process is completed and the agency receives the data from DPS, the information on my fingerprint criminal history record may be discussed with me.

**(This copy must remain on file by your agency. Required for future DPS Audits)**

Sanctions & Criminal History Inquiry

PLEASE READ:

The disclosure of prior criminal justice system involvement will not necessarily adversely affect your employment opportunity. Among other factors, the number, nature, and severity of offense(s), the relevance of the offense(s) to the position sought, and the time that has passed since the offense(s) will be evaluated along with any other criteria mandated by state or federal law.

Additionally, any arrests or non-conviction information will be reviewed to determine whether it is reasonable to believe that you engaged in the alleged underlying conduct. The fact of an arrest will not, in and of itself, be a factor in determining your eligibility for employment.

Failure to answer this question accurately and fully may be considered fraud and result in the elimination of your consideration for this position or your termination from employment. The Cherokee County Sheriff's Office conducts very thorough Background Investigations.
